

# International Master's Program

A degree from The University of Queensland shows you have achieved a globally competitive standard of excellence at one of the world's most respected universities.

Institut Teknologi Bandung (ITB)  
School of Business & Management

The University of Queensland (UQ)  
Business, Economics and Law

## Master's

- Business (Innovation and Entrepreneurship): UQ and MBA in Entrepreneurship: ITB or
- Business: UQ and MBA in General Management: ITB.

## Entry Requirements

- Completed bachelor's degree in the same discipline (please refer to [bit.ly/bel\\_entry](http://bit.ly/bel_entry)) with a GPA of at least 4.5 on the UQ 7 point scale.
- If you have not completed a bachelor's degree in the same discipline, you are required to seek advice on available study options and duration.
- Completion of the first semester of either MBA from ITB with a cumulative GPA of 3.0/4.0.

## How to Apply

- You can apply to UQ at the same time as applying for the ITB MBA. However, credit will be conditional upon completion of the first semester of the ITB program.
- Please also provide completed bachelor's transcripts, the award and evidence of English Language Proficiency with your UQ application.
- You can apply for either the Semester 1 (February) or Semester 2 (July) intake at UQ.

## Language Requirements

- Must meet UQ English language requirements. Please view information at [bit.ly/bel\\_language](http://bit.ly/bel_language)

## Additional Requirements

- You will be required to complete your final ITB SBM studies to successfully be awarded the UQ Master of Business.

## Opportunity for Alumni

Gain an international master's degree in one year at The University of Queensland.

If you've completed your MBA at ITB and you're interested in taking advantage of completing a UQ Master of Business in only one year, please contact Ms Laura Hassett to discuss your UQ options. Contact details are found overleaf.

"I chose the Master of Business at UQ because UQ teaches both theoretical and practical concepts within the program. The curriculum is suitable and will be useful for when I return to work in Indonesia. The environment of Brisbane is also perfect for international students"

Bayu Bartholdi  
UQ Master of Business (Innovation  
and Entrepreneurship)  
ITB MBA Entrepreneurship

## Why study two master's degrees?

The master's degrees are designed to help you further enhance your business skills, build specialist knowledge, and accelerate your career.

Majoring in Innovation and Entrepreneurship at UQ, you are provided with the knowledge and skills to be entrepreneurial and innovative in a variety of commercial and social settings.

You will gain access to an array of incubators, venture capitalists, consultants and successful entrepreneurs to learn from beyond the classroom.

The program at SBM ITB is designed to support you as a young MBA student with entrepreneurial spirit that leads you to be creative in starting your own new venture as well as fostering innovation within an organisation.

An MBA in Entrepreneurship degree is based upon the premise that the knowledge and skills needed to survive and thrive in business can be taught while the attitudes required of entrepreneurs can be identified and encouraged.

## Why study at UQ?

### UQ ranked 47<sup>th</sup> in the world

by QS World University Rankings (2020)

### More national teaching awards than any other Australian university

### In the top 10% globally for graduate employability

QS Employability Rankings (2019)

### Vibrant lifestyle

dynamic sports, cultural activities,  
200+ clubs and societies

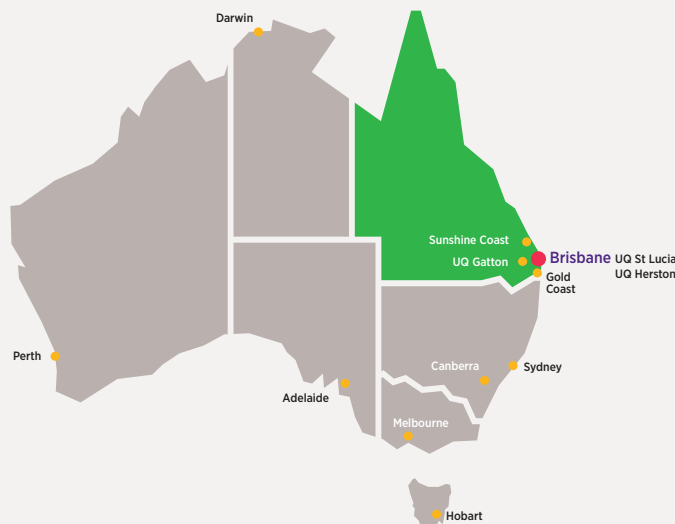

## Welcome to Queensland

The University of Queensland is located in Brisbane, the capital of the state of Queensland. Business, economics and law students study at the University's St Lucia campus, only 7km from Brisbane's vibrant city centre.

Brisbane is a gateway to some of Australia's most magical experiences including the Great Barrier Reef, World Heritage-listed rainforests, pristine surf beaches as well as encounters with koalas, kangaroos and wild dolphins.

Popular activities in Brisbane include swimming at Australia's only inner-city, man-made beach at South Bank, kayaking on the Brisbane River, or climbing the Story Bridge for a 360 degree view of this river city.

With a subtropical climate, Brisbane delivers an average of 283 days of sunshine every year.

### Brisbane named 8<sup>th</sup> most beautiful city in the world

by Rough Guides (September 2017)

### +16°C - +27°C max temperature most days of the year

### Brisbane #1 city for student affordability in Australia

QS Best Student Cities 2018
